

TEE IT UP FOR CATHI KEILTY 7

MONDAY, OCTOBER 13, 2014
HUNT VALLEY GOLF CLUB
PHOENIX, MARYLAND

Join us for an exciting day of golf and an evening filled with fun and laughter at the 7th annual *Tee It Up for Cathi Keilty* charity golf tournament and dinner. The net proceeds from the event will fund research at the Johns Hopkins Scleroderma Center for new treatment options and a cure for scleroderma.

Cathi, the event's namesake, passed away after battling an aggressive form of scleroderma. Cathi gave so much of herself to help others, and we're continuing that mission in her memory. Scleroderma affects ~300,000 people in the U.S., and while there currently is no cure for this disease, encouraging research at Johns Hopkins is underway.

ACTIVITIES

- "Scramble" golf tournament
- Awards ceremony honoring 1st, 2nd and 3rd place teams, and contest winners
- Chance to win a new car with a hole in one
- Fabulous dinner

- 5:30 Cocktail reception begins
- 6:30 Dinner
- 7:15 Silent Auction closes;
awards presentation, special guests
and live auction

PROCEEDS BENEFIT THE JOHNS HOPKINS SCLERODERMA CENTER

which specializes in the care of patients with scleroderma and related conditions. Scleroderma is a relatively unknown disease that hardens body tissue, which in severe cases can cause organ failure. The Center is one of the largest and most active in the world, seeing over 200 new patients each year. Its mission is to provide excellent clinical care while seeking to better understand the causes and best treatment approaches for scleroderma. All physicians at the Center are actively involved in clinical or translational research, looking for ways to transform discoveries in the laboratory into new and better treatments to combat scleroderma.
